Call for Content – NRW Magazine

Good day,

We are about to produce the fourth edition of the NRW Magazine and we thought you could be interested in submitting an article for publication. The next edition of the NRW Magazine is scheduled to be published by the end of July 2022. In this regard, we shall accept content until the 30th of June 2022.

Please submit your article through the email media@nrw-zusammen.de on or before June 30, 2022. The article should not be longer than 1000 words and should contain the following information 1) a title, 2) at least a high-quality accompanying picture as well as 3) the author of the article. While we prefer articles written in English, we also welcome those written in German.

It could also be that you want to advertise an event or a business of importance to Africans in the state. In case you are not sure of what to do, do not hesitate to get in touch with us.

The state of North Rhine Westphalia (Nordrhein Westfalen), with its over 17.9 million inhabitants, is the most populous in Germany. It is very multicultural and has the largest number of Africans in Germany. The state and its cities publish information of importance to the inhabitants (naturally in German). Most Africans miss benefiting from this information either because of language barrier or because they do not know exactly where to get reliable information. Through this magazine (6 versions in 2 years) we would like to provide such information targeted to Africans in the state. You can help us do this.

You can find previous versions of the magazine through the following links:
